**Established September 7, 2017**

The Epsilon Phi Zeta Educational Foundation was created in 2017 as a 501c3 non-profit organization. The Foundation operates as the charitable arm of Zeta Phi Beta Sorority, Inc. Epsilon Phi Zeta Chapter, which is located in Oakland, CA. The organization funds annual academic scholarships, cultivates strategic partnerships with community organizations, and mentors youth. The Foundation also provides funding for educational programs designed to fulfill the demonstrated needs of youth and adults in Northern California.

**2017-2018 Annual Report**

The Epsilon Phi Zeta Educational Foundation is supported by members of Zeta Phi Beta Sorority, Inc. Epsilon Phi Zeta Chapter. Members support the Foundation through an assessment paid in the spring. Because of this support, as well as other donations and fundraising events, the Foundation awarded scholarships in the amount \$1000 each to five deserving young ladies this year. These recipients are High School seniors who have enrolled to attend a 4-year College or University in the Fall of 2018.

The Foundation also hosted two community engagement events with the Broadway revival of The Color Purple musical. Attendees were able to purchase tickets at a discount during the show's run. On May 17, attendees were able to meet the cast after the show. Moreover, the Foundation hosted an event at MetWest Charter High School in Oakland that featured cast members and musical numbers. This event promoted music and performance arts education. Over 160 students and faculty were in attendance.
