Established September 7, 2017

The Epsilon Phi Zeta Educational Foundation was created in 2017 as a 501c3 non-profit organization. The Foundation operates as the charitable arm of Zeta Phi Beta Sorority, Inc. Epsilon Phi Zeta Chapter, which is located in Oakland, CA. The organization funds annual academic scholarships, cultivates strategic partnerships with community organizations, and mentors youth. The Foundation also provides funding for educational programs designed to fulfill the demonstrated needs of youth and adults in Northern California.

2018-2019 Annual Report

The Epsilon Phi Zeta Educational Foundation is supported by members of Zeta Phi Beta Sorority, Inc. Epsilon Phi Zeta Chapter. Members support the Foundation through an assessment paid in the spring. Because of this support, as well as other donations and fundraising events, the Foundation awarded scholarships in the amount \$1000 each to five deserving young ladies this year. These recipients are High School seniors who have enrolled to attend a 4-year College or University in the Fall of 2019.

The Foundation also hosted two community fundraising events starting with African American Heritage night at an A's game in the summer. The group also hosted "Paint it Foward", an event to celebrate the Sorority principle of Finer Womanhood in the month of February.
